

Welcome!

I'd like to welcome you to the Riekes Center for Human Enhancement. The Riekes Center is a nonprofit mentoring organization that uses the Creative Arts, Athletic Fitness, and Nature Awareness to help students define and accomplish their individual goals, build character and learn transferable life skills. Not only is it a responsibility of each participant, but also it is a core value at the Riekes Center, to create an environment where all students, all goals, and all interests are equally important. It is crucial that each participant (you!) adhere to the following responsibilities:

Honest Communication

There is no comparative analysis between students at the Center.

Our mission—to create the best possible opportunity under the core values of enhancement—requires your critique and input. There are no “dumb” questions.

Self-Supervision

Students are responsible for (a) scheduling sessions, (b) coming to appointments on time, and (c) making payments in a timely manner.

All students must check in with the front desk upon arrival and check out upon departure.

You must take responsibility for your behavior at the Center. Our motto, “**Leave this place better than you found it,**” refers both to the effect the Riekes Center has on each student and the effect each student has on the Center. Therefore, we expect each student to act like a responsible conservator of the environment.

Cigarettes and tobacco products, alcohol, illegal substances of any kind, and weapons are unequivocally prohibited anywhere on or near the premises.

Sensitivity to Others

It is important that the student body at the Center exist in non-judgment and mutual respect. The Riekes Center is a collection of the thoughtfulness and energy, which each individual places in the environment.

We believe in making every student welcome to the Center. As part of this effort, we will try to introduce you to as many other students as possible. We encourage you to practice sensitivity to others during introductions. Try to see things through the eyes of others and make everyone feel welcome and important.

No profanity is allowed.

The Riekes Center is proud to be a part of the Fair Oaks residential neighborhood. Please drive carefully, keep your music at a low level, and maintain the integrity of our neighborhood. To avoid creating neighborhood traffic congestion, please enter and exit Edison Way from Fifth Avenue. Pick up and drop off passengers only in our parking lot and never in the street.

I have read and agree to uphold the Riekes Center's Philosophy, Core Values and Policies.
